

# Location of eMedia Offices

## Coming from east of Galway City:

Continue into Galway City along the N6 until you reach the round-about after Oranmore. Here, take the exit for the R338 (the old Galway-Dublin Rd).

After taking this turn onto the R338, you will pass through two sets of traffic lights before reaching the round-about at the Corrib Great Southern Hotel/Ballybane Road.

At this round-about, take your third exit, and continue up Ballybane Road for 500 metres. After the traffic lights, take your second left to enter the north campus entrance. Continue straight (over the speed bumps!), and branch off left at the end of this entrance road. Continue until you arrive at the liBC private parking entrance barrier. At the barrier, please select the 'buzzer' and our reception manager will give you access to parking and to the building.

Should you have any difficulty whatsoever, please give me a call on 091 751 406 or 086 1013102.

Looking forward to meeting with you.
